Natural Health and Beauty products have become increasingly popular over the years. Ancient Indian remedies for various ailments, herbal toothpastes, natural hair oils, and shampoos are among the most sought after. For thousands of years, holistic mixtures have been utilized to soothe common aches and pains. Now these products are available to consumers who are looking for natural alternative.

Rani Foods Inc. has been offering these holistic products for the last 35 years and is dedicated to keeping you healthy and happy. You can find us in our various locations throughout the US with established wholesale and retail outlets.
